For purposes of 37 C.F.R. §1.704(d), the Applicant or Applicants certify that each item of information contained in this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart application, and that this communication was not received by any individual designated in 37 C.F.R. §1.56(c) more than thirty days prior to the filing of this Information Disclosure Statement (a copy of any foreign communication first citing a listed reference is attached for the Examiner's reference).

The Applicant or Applicants certifies under 37 C.F.R. §1.97(e)(1) that each item of information in this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement (a copy of any foreign communication first citing a listed reference is attached for the Examiner's reference).
